2013

# PLUMBING AND GAS ROADSHOW

The PIA and OTR will provide an industry update

Gas Roadshow topics will include:

- Update of AS/NZS 5601 to include stricter rules on ventilation and the review of the pipe sizing tables
- Inclusion of plumbing into the OTR newsletter Regulation Roundup
- Testing of uncertified gas appliances before installation
- Incident, accident & recall review
- OTR's regular feedback on field audits and gas related incidents.

Plumbing Roadshow topics will include:

- New home for plumbing regulation
- New Certificates of Compliance Form
- AS/NZS 3500 Plumbing and drainage standard discussion
- Materials and Products Certification
- Common problems with Plumbing installations.
- The new Wastewater Regulations and the changes affecting plumbers installing wastewater systems
